## P18 RAMIFICATIONS

Most of the fields in this grid have direct application to what shows up on the P18 page 1, on the page top and Section I.

Most of the fields here in a background of yellow are populated from the Disposal Location Management grid. Special mention is made of Items 2 and 3 outlined in red:

# P18 RRC DISTRICT NUMBER DEFAULT

#2: The Texas RRC Oil/Gas District value in the grid provides the Default value for RRC DIST. NO on the page 1 of P18, for that specific site.
